Proposal for a

COUNCIL DECISION

on the signing on behalf of the Community of the Agreement between the European Community and the Swiss Confederation amending with the provisional application the Agreement between the European Community and the Swiss Confederation on trade in agricultural products

Proposal for a

COUNCIL DECISION

on the conclusion of the Agreement between the European Community and the Swiss Confederation amending the Agreement between the European Community and the Swiss Confederation on trade in agricultural products

(presented by the Commission)

EXPLANATORY MEMORANDUM

1. The Agreement between the European Community and the Swiss Confederation on trade in agricultural products (hereinafter referred to as "the Agreement") entered into force on 1 June 2002¹. Article 5 of the Decision of the Council, and of the Commission as regards the Agreement on scientific and technological cooperation, of 4 April 2002 on the conclusion of seven Agreements with the Swiss Confederation² sets out the Community procedures for representation of the Community and adoption of common positions in the two Committees created by the Agreement, namely the Joint Committee on Agriculture and the Joint Veterinary Committee.
2. The Agreement provides, in Annexes 1 to 3, for some reciprocal tariff concessions regarding agricultural products and, in Annexes 4 to 11, for the removal of a series of technical barriers to trade. The Joint Committee on Agriculture is responsible for the administration of the Agreement. The Joint Veterinary Committee considers any matter arising in connection with Annex 11 on animal health and zootechnical measures applicable to trade in live animals and animal products. Article 11 of the Agreement empowers the Joint Committee on Agriculture to amend Annexes 1 and 2 and the Appendices to the other Annexes, other than Annex 11. Article 19 of Annex 11 to the Agreement empowers the Joint Veterinary Committee to amend the Appendices to Annex 11.
3. Since 2002, a number of amendments have been made to the Agreement by Decisions of the Joint Committee on Agriculture and the Joint Veterinary Committee in order to take account of update requirements stemming from the evolution of the acquis and Swiss law, the enlargement of the EU and the deepening of bilateral relations provided for by the Agreement. However, in the light of the evolution of Community and Swiss legislation and the deepening of bilateral relations provided for by the Agreement, as well as the consequences of EU enlargement, the Agreement requires further amendments, which go beyond the capacity of the Committees. On 25 October 2004 the Council authorised the Commission to enter into negotiations with the Swiss Confederation with a view to modifying the Agreement by both updating and adjusting its provisions.
4. The preparation of some of those modifications has been under way since 2005, with the help of the Committees and the bilateral working groups put in place by the Committees. Representatives of the Services of the Commission and of the Swiss Federal Administration initialled Agreed Minutes on 2 May 2007. Discussions are continuing, however, regarding the modifications to Annex 11 to the Agreement. At present, it is envisaged to amend Article 11 of the Agreement and Annexes 4, 6, 7, 8 and 9 thereto.
 - (a) Article 11 of the Agreement is replaced for extending the decision making power of the Committee to amendments of all the Annexes, with the exception of Annex 11; the matters related to the Annex 11 being covered by the Joint

Veterinary Committee, as stipulated in the Article 19 of the Annex 11 and in the Article 5(2) of the Agreement.

- (b) Article 1 of Annex 4 is amended to cover products outside the scope of the Agreement as defined in Article 1.
 - (c) Article 2 and Appendix 3 to Annex 4, on plant health, is modified in such a manner as to take into account the regular modification of the list of competent authorities in charge of the plant health passport.
 - (d) Article 1 of Annex 5 is amended in order to cover products outside the scope of the Agreement as defined in Article 1.
 - (e) Articles 5 and 6 of Annex 6, on seeds, are replaced, with a view to drawing up the Joint Catalogue for varieties of agricultural plant species.
 - (f) Articles 2, 5, 6, 7 and 16 and Appendices 1, 2, 3 and 4 to Annex 7, on trade in wine-sector products, require amendment or are added as a result of the evolution of the respective legislation, reinforcement of control cooperation procedures and EU enlargement.
 - (g) Articles 2 and 4 and Appendices 1, 2 and 5 to Annex 8, on the mutual recognition and protection of names of spirit drinks and aromatised-wine based drinks, require amendment or are added as a result of the evolution of the respective legislation and EU enlargement.
 - (h) Article 3 of Annex 9, on organically produced agricultural products and foodstuffs, requires amendment in order to permit, on the basis of recognition of the equivalency of inspection regimes, the abolition of the requirement to present certificates of inspection between the Parties, for products originating in their territories or from third countries.
5. The proposed Decision on signature and provisional application implements the modifications of the Agreement as of the first day of the second months following the day of signature. The provisional application shall permit to take in consideration immediately changes to the Agreement, in particular changes resulting from the enlargement of the European Union.
6. The Commission therefore submits to the Council the proposal for two Decisions, respectively on the signature with provisional application and on the conclusion of the Agreement between the European Community and the Swiss Confederation on the modification of the Agreement between the European Community and the Swiss Confederation on trade in agricultural products, as set out in the Annex.
7. Budgetary impact: no impact.

THE EUROPEAN COMMUNITY, hereinafter referred to as “the Community”, and

THE SWISS CONFEDERATION, hereinafter referred to as “Switzerland”,

hereinafter together referred to as “the Parties”,

WHEREAS the Agreement between the European Community and the Swiss Confederation on trade in agricultural products, hereinafter referred to as “the Agreement”, entered into force on 1 June 2002

WHEREAS Article 6 of the Agreement sets up a Joint Committee on Agriculture, which is responsible for the administration of the Agreement and its good functioning, hereinafter referred to as “the Committee”.

WHEREAS Article 11, in conjunction with Article 5(2), lays down that the Committee may decide to amend Annexes 1 and 2 and the Appendices to the other Annexes, other than Annexe 11. Since the entry into force of the Agreement, the Committee has decided on a number of amendments for administering the Annexes to the Agreement and their Appendices, particularly in order to take account of the updates and adjustments required to deepen bilateral relations as provided for by the Agreement.

WHEREAS certain updates and adjustments required in order to take account of the evolution of Community and Swiss laws go beyond the empowerment granted to the Committee. It is therefore necessary to modify the Annexes to the Agreement and to extend the empowerment of the Committee by replacing Article 11, in order to facilitate further updates and adjustments to the Annexes to the Agreement.

WHEREAS adjustments deriving from enlargement of the European Union, particularly to the lists of protected names of wines and spirit drinks, are also to be covered. At the same time, the deepening of bilateral relations should be provided for in respect of the following: specification of the scopes of Annexes 4 and 5, reinforcement of cooperation in the field of wine controls (Annex 7), equivalency of the respective inspection regimes for organic production (Annex 9) and the drawing up of the Joint Catalogue for varieties of agricultural plant species (Annex 6),

 8. The Parties may hold technical consultations with a view to assessing the implications for this Annex of derogations as referred to in paragraphs 1 to 4.
 9. Paragraph 8 shall not apply where the Member States of the Community are responsible for deciding on derogations pursuant to the legislation listed in Section 1 of Appendix 1. Paragraph 8 shall not apply to derogations adopted by Switzerland in similar cases."
7. Article 2 of Annex 7 is replaced by the following:

"Article 2

This Annex shall apply to wine-sector products, as defined in the legislation mentioned in Appendix 4."

8. Articles 5, 6 and 7 of Annex 7 are replaced by the following:

"Article 5

1. The Parties shall take all necessary steps in accordance with this Annex to ensure mutual protection of the names referred to in Article 6 and used for the description and presentation of wine-sector products within the meaning of Article 2 originating in the territory of the Parties. To that end, each Party shall introduce the appropriate legal means to ensure effective protection and prevent geographical indications and traditional expressions from being used to describe wine-sector products not covered by the indication or expression concerned.
2. Subject to paragraphs 3 to 8, the protected names of the Parties shall be reserved exclusively for the products originating in the Party to which they apply and may be used only under the conditions laid down in the laws and regulations of that Party.
3. The protection referred to in paragraphs 1 and 2 rules out in particular any use of a protected name for wine-sector products referred to in Article 2 other than that for which the name is reserved, even if:
 - the actual origin of the product is shown;
 - a geographical indication is used in translation;
 - the name is accompanied by terms such as "kind", "type", "style", "imitation", "method" or other similar expressions.
4. In the case of homonymous geographical indications:

- (a) where two indications protected under this Annex are homonymous, protection shall be granted to both of them, provided the consumer is not misled as to the actual origin of the wine-sector products;
 - (b) where an indication protected under this Annex is homonymous with the name of a geographical area outside the territory of the Parties, the latter name may be used to describe and present a wine-sector product in the geographical area to which the name refers, provided it is traditionally and consistently used, its use for that purpose is regulated by the country of origin and consumers are not misled into believing that the wine originates in the territory of the Party concerned.
5. The protection of a traditional expression shall apply only to the language(s) in which it appears in Appendix 2.
6. The protection of a traditional expression shall apply only to the use thereof for the category or categories of wine with which it is linked in Appendix 2.
7. In the case of homonymous traditional expressions:
 - (a) where two expressions protected under this Annex are homonymous, protection shall be granted to both of them, provided the consumer is not misled as to the actual origin of the wine-sector products;
 - (b) where an expression protected under this Annex is homonymous with the name used for a wine-sector product not originating in the territory of the Parties, the latter name may be used to describe and present a wine-sector product, provided it is traditionally and consistently used, its use for that purpose is regulated by the country of origin and consumers are not misled into believing that the wine originates in the territory of the Party concerned.
8. The Committee may, where necessary, lay down practical conditions for use to enable a distinction to be drawn between the homonymous indications or expressions referred to in paragraphs 4 and 7, bearing in mind the need to treat the producers concerned fairly and to ensure that consumers are not misled.
9. The Parties hereby waive their right to invoke Article 24(4), (6) and (7) of the TRIPS Agreement in order to refuse to grant protection to a name from the other Party.
10. The exclusive protection provided for in paragraphs 1, 2 and 3 of this Article shall apply to the name "Champagne" on the Community list in Appendix 2 hereto. However, for a transitional period of two years from the entry into force of the Agreement on first June 2002, such exclusive protection shall not prevent the word "Champagne" from being used to describe and present certain wines originating in the Swiss canton of Vaud, provided that such wines are not marketed in Community territory and that the consumer is not misled as to the real origin of the wine.

Article 6

The following names shall be protected:

- (a) as regards wine-sector products originating in the Community:
 - terms referring to the Member State in which the wine-sector product originates;
 - the specific terms appearing in Appendix 2,
 - the geographical indications appearing in Appendix 2,
 - the traditional expressions appearing in Appendix 2.
- (b) as regards wine-sector products originating in Switzerland:
 - the terms "Suisse", "Schweiz", "Svizzera", "Svizra" and any other name designating that country,
 - the specific terms appearing in Appendix 2,
 - the geographical indications appearing in Appendix 2,
 - the traditional expressions appearing in Appendix 2.

Article 7

1. Registration of a trademark for a wine-sector product within the meaning of Article 2 which contains or consists of a geographical indication or a traditional expression protected under this Annex shall be refused if the product in question does not originate in:
 - the place to which the geographical indication refers, or
 - the place where the traditional expression is legitimately used.

Trademarks registered in breach of the first subparagraph shall be invalidated on the request of an interested party.

2. Trademarks the use of which corresponds to one of the situations referred to in paragraph 1 which have been applied for, registered or established by use in good faith in a Party (including Member States of the Community) before the date of protection of the other Party's geographical indication or traditional expression under this agreement, may continue to be used notwithstanding the protection granted to the geographical indication or traditional expression which may be used alongside the trademark concerned."

9. In Article 16 of Annex 7 the following paragraph 7 is added:

- "7. The information contained in the analytical data bank of each Party, comprising the data obtained by analysing their respective wine-sector products, shall be made available to the laboratories designated for this purpose by the Parties, where they so request.

Communication of information shall relate only to the relevant analytical data required to interpret an analysis carried out on a sample of comparable characteristics and origin."

10. Appendix 1 to Annex 7 is replaced by the new Appendix 1 set out in Annex II.
11.
