COM(83) 742 final

Proposal for a
COUNCIL REGULATION (EEC)

on fishing activities in waters under the sovereignty or jurisdiction of the Member States adopted provisionally pending the fixing of TACs and quotas for 1984.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No. 170/83 of 25 January 1983 establishing a Community system for the conservation and management of fishery resources (1), and in particular Articles 1 (paragraph 1), 2, 3, 4 (paragraph 1) and article 11 thereof,

Having regard to the proposal from the Commission,

Whereas the Council adopted on 25 January 1983 a Community regime of conservation and management of fishery resources and, in application of this regime, fixed TACs and quotas for 1982

Whereas Council Regulation (EEC) No. 198/83 of 25 January 1983 on fishing activities in waters under the sovereignty or jurisdiction of the Member States, adopted provisionally pending the fixing of TACs and quotas for 1983(2), authorized vessels flying the flag of a Member State provisionally to engage in fishing activities in keeping with normal seasonal cycles and in accordance with Council Regulation (EEC) No. 172/83 of 25 January 1983 fixing for certain fish stocks and groups of fish stocks occurring in the Community's fishing zone, total allowable catches for 1982, the share of these catches available to the Community, the allocation of that share between the Member States and the conditions under which the total allowable catches may be fished (3),

Whereas the continuation of fishing at the volume of captures provided for by Regulation (EEC) No. 198/83 in conjunction with Regulation (EEC) No. 172/83 will not be possible in certain zones in 1984 given the need to respect the scientific advice that the stocks in these zones are greatly reduced;

Whereas pending the adoption by the Council of the proposal of the Commission for a Council Regulation fixing, for certain fish stocks and groups of fish stocks occurring in the Community's fishing zone, provisional total allowable catches for 1984, the provisional share of these catches available to the Community, the allocation of that share between the Member States and the conditions under which the total allowable catches may be fished (4) it is necessary in order to take account of conservation objectives, for fishing by vessels from the Member States to be carried out on the basis of the quantities included in that proposal;

(1) O.J. No. L 24 of 27.1.1983, p. 1

(2) O.J. No. L 25 of 27.1.1983, p. 32

(3) O.J. No. L 24 of 27.1.1983, p. 30

(4) O.J. No. C

Whereas Member States should conduct their fishing activities in accordance with seasonal cycles in order neither to jeopardize the conservation of the fish stocks nor to prejudice fishing patterns in the remainder of 1984;

Whereas the Commission is not yet in a position to make definitive proposals for TACs for all stocks;

HAS ADOPTED THIS REGULATION :

Article 1

Pending the decision of the Council on the proposal of the Commission fixing, for certain fish stocks and groups of fish stocks occurring in the Community's fishing zone, provisional total allowable catches for 1984, the provisional share of these catches available to the Community, the allocation of that share between the Member States and the conditions under which the total allowable catches may be fished, vessels flying the flag of a Member State shall engage in fishing activities in keeping with the normal seasonal cycles and in conformity with that proposal.

Article 2

This Regulation shall enter into force three days after its publication in the Official Journal of the European Communities.

It shall apply from 1 January 1984.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1983

For the Council
The President
